Adapter, Tubing Straight with hooks

Code: W-2055 GST: 18% Brand: AVAIN LABS

- Manufactured by AVAIN LABS® for Reliable Performance

Applications

- Chemistry Laboratories
- Biology Laboratories
- Educational Institutions
- Research and Development Laboratories
- Medical and Diagnostic Laboratories
- Fluid and Gas Transfer Systems
- Scientific Experiments and Demonstrations

Available models

AVAIN LABS® Adapter, Tubing Straight with hooks

The AVAIN LABS® Adapter, Tubing Straight with Hooks is a premium-quality laboratory tubing connector designed for secure, reliable, and leak-proof connections in scientific, educational, and research applications. Featuring an integrated hook design, this adapter provides enhanced tubing retention and prevents accidental disconnections during operation, ensuring safe and efficient fluid or gas transfer.

Manufactured from durable, chemical-resistant materials, the straight tubing adapter is suitable for a wide range of laboratory setups, including chemistry, biology, medical, and educational laboratories. Its precision-engineered construction ensures easy installation, long service life, and compatibility with standard laboratory tubing systems.

Ideal for schools, colleges, universities, research institutes, and industrial laboratories, the AVAIN LABS® Adapter, Tubing Straight with Hooks offers dependable performance for daily laboratory use.

Key Features

- Straight Tubing Adapter with Integrated Hooks
- Secure and Leak-Proof Tubing Connection
- Prevents Accidental Tube Disconnection
- Durable and Chemical-Resistant Construction
- Suitable for Liquid, Gas, and Air Transfer Applications
- Compatible with Standard Laboratory Tubing
- Easy Installation and Maintenance
- Designed for Laboratory, Educational, and Research Use

Specifications

Model No.	Socket | Pack
AL-305A	14-23 | 10
AL-305B	19-26 | 10
AL-305C	24-29 | 10
AL-305D	29-32 | 10
