# Lab Weighing Scale 10 kg x 1g SF-400

Code: SF-400 HSN: 84238190 GST: 18% Brand: AVAIN LABS

AVAIN LABS® Lab Weighing Scale 10 kg x 1g SF-400

The AVAIN LABS® Lab Weighing Scale 10 kg x 1 g (SF-400) is a reliable and user-friendly digital weighing scale designed for accurate weight measurement in laboratories, educational institutions, pharmacies, kitchens, retail stores, and industrial applications. Built for precision and everyday performance, this electronic balance delivers consistent weighing results with a maximum capacity of 10 kg and 1 g readability, making it suitable for a wide range of weighing tasks.

Featuring a clear LCD display and simple push-button operation, the SF-400 offers quick and easy measurements. Its compact and lightweight design allows for convenient portability, while the durable weighing platform ensures long-lasting performance. The scale supports multiple weighing applications including laboratory experiments, educational demonstrations, food preparation, inventory management, and general-purpose weighing.

Powered by 2 × 1.5V AAA batteries, the AVAIN LABS® SF-400 is energy-efficient and ideal for both laboratory and field use.

## Key Features

- High-precision digital weighing scale
- Measuring Capacity: 10 kg
- Resolution: 1 g
- Large easy-to-read LCD display
- Durable and lightweight construction
- Fast and accurate weight measurement
- Simple push-button operation
- Compact design for easy storage and portability
- Low power consumption
- Battery operated for convenient use

## Technical Specifications

## Applications

- Laboratory Weighing
- Pharmacy & Medical Laboratories
- Schools & Educational Institutions
- Food & Kitchen Measurement
- Retail & Commercial Use
- Industrial Quality Control
- Home & General Purpose Weighing
- Research Laboratories

| Specifications | |
|---|---|
| **Brand** | AVAIN LABS® |
| **Model** | SF-400 |
| **Measuring Capacity** | 10 kg |
| **Resolution** | 1 g |
| **Power Source** | 2 × 1.5V AAA Batteries |
| **Display** | LCD Digital Display |
| **Application** | Laboratory, Pharmacy, Kitchen & Industrial Weighing |
