Semi Automatic Capsule Counter AL-903

Code: AL-903 GST: 18% Brand: AVAIN LABS

AVAIN LABS® Semi Automatic Capsule Counter AL-903

The AVAIN LABS® Semi Automatic Capsule Counter AL-903 is a high-performance pharmaceutical counting machine designed for accurate and efficient counting of capsules and tablets. Built with precision engineering and user-friendly controls, this semi-automatic capsule counter is ideal for pharmaceutical companies, nutraceutical industries, laboratories, hospitals, and packaging units.

This advanced capsule counting machine combines mechanical automation with manual operation, ensuring fast, reliable, and error-free counting while reducing labor effort and improving productivity. The AL-903 is suitable for counting a wide variety of capsule sizes and tablet shapes with excellent accuracy.

Manufactured using premium-quality materials, the machine offers durability, smooth operation, and easy maintenance. Its compact design makes it perfect for both small-scale and medium-scale production environments.

Key Features of AVAIN LABS® AL-903 Semi Automatic Capsule Counter

- High accuracy capsule and tablet counting
- Semi-automatic operation for improved efficiency
- Suitable for pharmaceutical and nutraceutical industries
- Easy-to-use control system
- Compact and durable stainless-steel construction
- Low maintenance and energy efficient
- Fast dispensing and counting process
- Ideal for capsules, tablets, and soft gels
- Reliable performance for continuous operation

Applications

- Pharmaceutical manufacturing units
- Capsule filling and packaging industries
- Research laboratories
- Medical colleges and hospitals
- Nutraceutical and herbal product industries

Why Choose AVAIN LABS® Semi Automatic Capsule Counter AL-903?

The AL-903 capsule counter is designed to deliver precise counting performance with minimal human intervention. Its efficient semi-automatic mechanism helps reduce counting errors, saves operational time, and enhances production efficiency. AVAIN LABS® is known for delivering high-quality laboratory and pharmaceutical equipment trusted by professionals worldwide.

Available models (3)

Cat. No.	Size	HSN
